

MG Car Club—Florida

FLORIDA OCTAGON

#111

SEPTEMBER 2010

PRESIDENT'S ADDRESS: by Dave Alexander

I hope everyone is looking forward to the dinner this month. It should be a pleasant drive being in the evening hours. Please note that it is the 4th Saturday, the 25th of September (see details below).

We are getting close to our big show so the push is on for volunteers, so please call Danica, Norm or myself as soon as you can to get involved. Due to the Vero location and the other co-event on the field, we expect this year's event to draw the largest field of entrants and spectators that we have ever had, so please volunteer.

Also, to help with the show planning and workload, please pre-register your car now. (Info & registration form at www.mgcarclubflorida.org)

Your club thanks you for your support,
Dave

SEPTEMBER EVENT - Saturday, September 25th, 2010

We will be meeting for dinner at 6:30 pm on the FOURTH Saturday down south on A1A at the Sebastian Beach Inn. The address is 7035 South Highway A1A, Melbourne Beach (phone 321-728-4311). This is late enough in the day to miss the hottest time of the day; and, if you want, drive your non-LBC with AIR. But please plan to come, socialize with your fellow members and enjoy a great meal. We would greatly appreciate a call letting us know you're coming, so we can prepare the restaurant (Norm: 772-532-4265 or normridge@yahoo.com or Dave: 321-213-7051 or iamcaptain@mindspring.com)

LAST MONTH'S EVENT – Saturday, August 20th, 2010

Harbor City Diner saw 19 of our members arrive at 9:00 am for a great breakfast. We ended up taking over two large tables. We also had at least six MGs in the parting lot. Prez. Dave held a brief meeting in the parking lot under some trees. The main topic was the September meeting and at the suggestion of Ester Adams, we will be going to the Sebastian Beach Inn. The upcoming car show was also discussed. Those in attendance were: Dave Alexander, Al & Pat Allen, Mike Euziere, Helen Kingston, Brian Mitchell, Ginny Mitchell, Richard & Pat Jablonski, Tom & Ritva Bowman, Linda Knoblock, Mitchel Senical, Saul Klein, Esther & Matthew Adams, Len Coppold, Pat & Norm Ridgely, and Bill Van Dell (former member) came by later to say “hello”.

OUR BIG SHOW - BRIT BASH 2010 FRIDAY/SATURDAY, OCTOBER 29TH / 30TH

BRIT BASH

A CELEBRATION OF BRITISH MOTORCARS & MOTORCYCLES

The invitation and registration forms have been sent to all past participants and other British car clubs, they are on our website and early registrations are starting to come in. A colorful poster/flyer is in the process of being developed. We will have the Vero Beach Rotary Club on site also with a scare crow exhibit. They are sharing the cost of the park with us but will be using an area we do not need to utilize. They also will attract additional spectators. The layout of the parking by classes is being developed and we are seeking volunteers to work the show. Please call Danica, Norm or Dave to let us know what area you would like to assist in. This show benefits the club as a whole, so please call.

MEMBER PROFILE – DAVE ALEXANDER

AN ON GOING AFFAIR WITH BRITISH AUTOMOBILES

If there is blame for this (On Going Affair), it would have to go to my parents - mother a very talented artist and architectural draft person, and father a professional aircraft/space vehicle mechanic.

1960 found my mother getting the family's first "sport" car, a 1959 MGA. Little did we know how much that car was to play in my future.

Not long after that I got my first car - yep, a 1957 MGA, only with the engine in boxes in the boot. This was a foretelling of the way in my future. Seems a large portion of my cars come to me, shall we say, in less than pristine condition.

Late 1968 found me joining the US Navy and leaving my 1960 mini (just traded my current MGA straight up for it) with mom and dad.

1970 found me stationed in Jacksonville commuting to Melbourne every weekend, courting my first wife in my first “B”. Where and how did I get it? - built it beside a farmer’s barn out of two B’s that nobody wanted.

Late 1972 found me back in Melbourne working for the BMC dealer and IPD (Imported Parts Distributors). Logic says two part-time jobs equals one fulltime job. Talk about somebody with a sweet tooth working in a candy factory.

I have lived and worked in the Melbourne area ever since. Through all my career and family changes, the main constant has been my connection with British automobiles.

My daughter calls me a “gear head” - I take that as a term of endearment.

Currently you can find me working professionally in engineering for a major military supply firm ... and for pleasure...playing with old British cars.

The “Affair” continues.....(Dave’s New Garage Business Location -Saul)
