

MG Car Club—Florida

FLORIDA OCTAGON

#151 September 2015

Hi club members, we are already into another month and hoping it was all good for everyone.

Thanks to all those who responded regarding our 60th Anniversary car show. However, the board felt that not enough member participation was confirmed, and the club will not have a car show for 2016.

1956-2016 !!

The board has already discussed ideas on how to celebrate our 60th anniversary and decided there will be a celebration, but now the

question is, how do we make it special? The date has yet to be set, but 2016 is really not that far away! So let's share ideas on how to celebrate 60 years! I know a few of you have already celebrated 60 years young, so how did you make it special? Your President just turned 56 (pray to make 60) - show me the way! Want to thank you all personally for showing me a wonderful time each month that we meet, I always have fun and thank you all for car help when I needed it!

August's event was at Steagles Pennsylvania Pub here in Melbourne. Len Coppold had shared his thoughts, and made the arrangements for the event, and it was lovely. Over 20 Club members participated.

I want to personally thank those that came from afar, thanks to all our new and current members for welcoming and spreading the news about our club. We ate well and our feet were tapping to the “Big Band” music! Saul and Pat Ridgely tore up the rug, and I think some dancing (and guitar playing?) should be included in our Anniversary Party! (Just an idea - what’s yours?)

September’s event is going to be the Cocoa Village car show on Saturday, September 19th, so mark your calendars! Saul has already sent out a message on this, so get yourselves pre-registered. Show registration form is at- <http://visitcocoavillage.com/wp-content/uploads/Fall-2015-Application.pdf> . Tentative plans are to meet at 11:30 on Maryland Ave,

just south of downtown Cocoa Village, then go to show as a group. Please let Brian Mitchell know of your expected participation by Sept 10th - bgspain@hotmail.com . Cocoa Village is a lovely place to spend the afternoon, with a large variety of motor vehicles and a good way to show off our LBC'S! We need the younger generation to know about us!
