## **PRESIDENTS MESSAGE:**

Since becoming a member of this celebrated assemblage of British vehicle lovers, I have observed that there are a number of things that we all tend to enjoy. We all seem to like going to car shows, the all-British variety especially but also the run what ya brung ones where we frequently get the "I knew someone with one of these when I was a kid" comment and we can reminisce with them. We seem to do pretty well in the awards department as a club, too.

The cruises and cars and coffee type of gatherings appeal to quite a few of us and we sometimes actually find new recruits for our august body from the crowd that was unaware that our great club even existed. Of course, there are the hard-core non-joiners that take more persuasion to get them to part with their hard-earned money (c'mon man, it's only \$15 per year for the whole family) to officially get to be part of the fun.

**EATING!** Now here's something that we, as human beings, need to do to remain alive. If anyone remembers a very short book from quite a few years ago, the hero, a shore bird named Jonathan, was in a quandary because, unlike his kin, who flew to eat, he ate to fly. Looking at our club's response to January's two club events, we seem to really enjoy the consumption of comestibles aspect of the club calendar, and we do it quite well. Now our driving of LBCs does not lead to dining in the same way that a seagull or pelican goes for food, but hopefully we can enjoy the driving the way Jonathan did his flying and the food part is a nice perk.

Some of our drives are borderline legendary; Yalaha Bakery, Ocala and the Garlits Racing Museum, treks to the Seal Museum and the Schuman collection stick in my brain pan. What also sticks are some of the miscues we experience while going places together: the missed turn that sent the group to Mount Dora instead of the bakery, losing a car on a forty mile stretch of US 1 with no turns and somehow managing to string six vehicles out over almost a mile in a 25 mph stretch of back road. Maintaining a safe following distance in traffic is a good idea, but a quarter mile at 35mph seems a tad excessive and allows all sorts of interlopers to get into our caravan of British classics and the following members can lose sight of the lead vehicles. We will try to brush up on our caravanning etiquette in the months to come. One of our past Presidents dug up a sort of "Rules of the Road" for this activity which I am going to give to our secretary to send to all of you by email to read and digest. Not all of it is applicable to our

Saul Klein submitted the following items for the newsletter this month. His story of what led him to his interest in British Cars with a club full of British Car Enthusiasts!

# Popular British car show returns to Fox Lake Park

BY AMANDA CARD  
FOR FLORIDA TODAY

Five years ago, Titusville resident Saul Klein received a 1970 MGB as a retirement present from his son, which began his interest in British sports cars.

It didn't take long before he wanted to share his interest with like-minded individuals, which led him to join the MG Car Club of Florida. Klein relished showing his MGB in the club's annual event, the Fox Lake British Car Show, and seeing other MG models from around the Southeast.

This year's show will be especially exciting for Klein, because of a gift that he received from his son this past July — a 1989 Jaguar XJ-S V12 convertible.

### At a glance

**What:** Fox Lake British Car Show 2005.

**When:** 9 a.m. to 4 p.m. Saturday.

**Where:** Fox Lake Park, Titusville.

**Admission:** Free; \$25 to register a car in the show.

According to Klein, the Jaguar was originally purchased by Lee Radziwill, Jacqueline Kennedy's younger sister, on Jan. 31, 1989, and was driven by the extended Kennedy family until 1999.

He will show his new sports car for the first time at his club's upcoming event, the Fox Lake

British Car Show 2005, which is scheduled for 9 a.m. to 4 p.m. Saturday at Fox Lake Park in Titusville.

"Thanks to my son, my love of British sports cars has really taken off, so I look forward each year to the Fox Lake British Car Show," said Klein, this year's show chairman. "We have had more pre-registrations this year than in years past, so we are expecting better attendance than ever this time."

Participants choice balloting will be used to award more than 70 trophies in 35 classes. Cars shown during the event will include the Austin-Healey, Lotus, MG, Jaguar, Rolls Royce and a variety of other makes.

Those interested in showing their British cars, but who have not signed up yet, will have an opportunity to register on the morning of the show. A registration fee of \$25 (cash only) can be paid upon arrival, but all show cars must be registered by 11 a.m. The show is open to all British cars of any kind, year, model or condition.

Admission is free for spectators.

In addition to admiring the cars, attendees can check out a swap shop and a variety of vendors. To make the event afford-

able for families, the club will provide \$1 hot dogs, \$1 drinks and other nominally priced foods.

"Come out and see how the British sports cars used to be, and have a lot of fun with the family," said Klein. "We are expecting more than 90 cars and more than 300 spectators, so it should be a great day, rain or shine." ■

**Description -**

**PLEASE READ THE DETAILS, THIS IS A TOTALLY RESTORED CAR**

**HISTORY**

**This is a 1977 MGB Mark IV Roadster. It was purchased from the original owner from Maitland Florida (I have a copy of the original Florida Title from 1977) with 75,120 original miles and has been a Florida car all its life. About 1/3 of those miles were when the car was towed behind a motor home. The car was stored in a garage for many years after the owner passed. During the years of storage there was no maintenance done but the car remained rust free. In 2020, when the family attempted to start and run the car, they did not pay attention to the old fluids (oil and water) and as a result spun the main bearings.**

**2020 to 2021 RESTORATION**
